Check that the section has the correct number of credits.

NOTE: If a course is bolded, this means that it is “linked” with another course. Therefore...

...you have to register for the lecture...

...and one of the labs below...

...otherwise you will receive a “link” error when registering.

NOTE: Check the location of the section before registering. Some sections, like this one, are extension centers and are not on the main campus.

Click on the link location to see where it is on the campus map.
