At the time of registration for classes at Wayne State University, the student agrees to:

- Assume financial responsibility for all charges and/or fees posted to the student account and any cost associated with collecting the debt.
- Satisfy the payment schedule included in this section.

Fall semester – August 15  
Winter semester – December 15  
Spring/Summer semester – April 15

7.2 Students registering on or after these payment dates are expected to pay the balance in full at the time of registration.

7.3 Students who register for short-term courses are required to pay the balance in full at the time of registration.

7.4 Failure to pay the balance in full by the specified due dates or dishonoring payment plan schedules will result in the assessment of monthly "late payment fees" and financial "holds" preventing registration, drop/add, release of official transcripts, diplomas, degrees and other university services.

7.5 **Delinquent Accounts:** Students with tuition and fee balances that are unpaid by the payment due date, as specified in 7.1 through 7.4 are considered delinquent. Invoices (eBills) for delinquent accounts are issued on the first of each month, during the term with payment due on the fifteenth. ## STATEMENT OF FALL 2016 TUITION AND FEE REGULATIONS

7.6 **Collections:** Delinquent account balances will be referred to a collection agency within 45-days of the end of the term. ### Section 8. Tuition Cancellation

8.1 Tuition and fees may be canceled in accordance with the following schedule when students officially drop classes using the online registration system, by submitting a properly completed Register/Drop/Add form, or by sending a certified letter to the Office of the Registrar. A certified letter of withdrawal sent through the United States Postal Service shall be considered effective on the date of the postal cancellation, provided the date is legible. If the postal cancellation is dated Saturday or Sunday, it will be accepted as the preceding Friday.

8.1.1 Classes meeting 28 or more weeks (not including final examination period)

Students who officially withdraw from scheduled classes before the 7<sup>th</sup> week of classes are entitled to a 100% tuition cancellation and 0% thereafter.

8.1.2 Classes meeting 16-27 weeks (not including final examination period)

Students who officially withdraw from scheduled classes before the 4<sup>th</sup> week of classes are entitled to a 100% tuition cancellation and 0% thereafter.

Students who officially withdraw from scheduled classes before the first day of classes are entitled to a 100% tuition cancellation and 0% thereafter.

8.2 The University Registrar is authorized to make adjustments in the application of the policies stated in this section when unusual circumstances warrant. Examples of circumstances which may warrant special consideration include: serious illness or death of the student or someone closely related, or mis-advisement by a University representative. Tuition cannot be cancelled for reasons such as changes in work schedule or other employment demands, claims of lack of information, insufficient funds, unawareness of the difference between tuition and student financial aid, undocumented reasons, or for reasons that are within the control of the student. Non-attendance, except for situations falling under the University non-attendance policy (below), is not in and of itself a reason for tuition and fee cancellation. Students (or an authorized representative in the case of death or serious illness) must submit their applications and supporting documentation to the Office of the Registrar. A medical withdrawal is a complete withdrawal from all courses, supported by medical reports from the attending physician. Requests for exceptions to tuition and fee policies must be submitted within approximately two months of the end of the term, as follows:

- Fall Term – March 1
- Winter Term – July 1
- Spring/Summer Term – November 1

Deadlines falling on weekends will be extended to the next business day.

## STATEMENT OF FALL 2016 TUITION AND FEE REGULATIONS

### 8.2.1 University Non-Attendance Policy

The University Non-Attendance Policy will allow 100% tuition cancellation only for students in their first term of attendance at Wayne State University. Instructors for all courses must verify the student did not attend classes after the tuition cancellation deadline. This policy is designed to provide relief to those students who in their first semester at Wayne State may not be familiar with the University's Tuition Cancellation Policy.

8.3 Where the student has otherwise proceeded properly, (s)he may be granted full cancellation of tuition and fees assessed for the class(es) involved:

8.3.1 If the University cancels the class(es), or

8.3.2 If the University re-schedules the class(es) after the student has registered and (s)he is now unable to attend, or

8.3.3 If an authorized University representative has taken action which causes financial loss related to tuition, e.g., authorizing a student's schedule when the student does not have the necessary prerequisite(s).

8.4 Appeal Procedures: If a student (or an authorized representative in the case of death or serious illness) is dissatisfied with the Registrar's decision with reference to this policy, the student (or an authorized representative) may appeal to the Tuition and Fee Appeals Board through the University Ombudsperson.

8.5 University policy allows for a Request for Medical Withdrawal. A medical withdrawal is a complete withdrawal from all courses. For approved requests, the University Medical Withdrawal Policy will grant 100% tuition and fee cancellation if a student stops attending ALL classes before the end of the 10th week of the scheduled class meeting period in a full fall/winter term. Medical documentation will need to confirm that medical attention was provided during this time period. For medical withdrawals occurring during the 11th or 12th week, tuition cancellation will be granted at the rate of 60%. There is no tuition cancellation after the twelfth week of the term. These periods are adjusted proportionally for courses that do not run the full term. While a request is under review tuition payments should be made as scheduled.

## **Section 9. Student Residence Policy (WSUCA 2.34.03)**

9.1 The regulations and review procedures pertaining to student residency are the basis for determining students' residency classifications and, therefore, their credit hour tuition rate. The regulations and review procedures appear at WSUCA 2.34.03 et seq. and are published in the University Bulletins.
